

Thanksgiving

Every year, on the fourth Thursday of November, American people celebrate Thanksgiving.
Thanksgiving is celebrated on the second Monday of October in Canada.

What is the origin of this very important celebration ? Briefly !

Even if Thanksgiving has historical roots in religious and cultural traditions, it has long been celebrated in a secular (= not religious) manner as well.

In September 1620, a small ship called the Mayflower left Plymouth, England, carrying 102 passengers (The Pilgrims). They started a new life on the north east of America. It was very difficult because it was very cold in winter, and they did not have a lot of food. The Indians helped these poor people to survive. They showed them what plants to grow and how to get food. One year later, the Pilgrims had enough food to live. They organized a feast and invited the Indians. This was the first Thanksgiving Dinner.
